

## CHILDREN'S PATTERN: BRACELET

Designed and worked by Kath Shadbolt

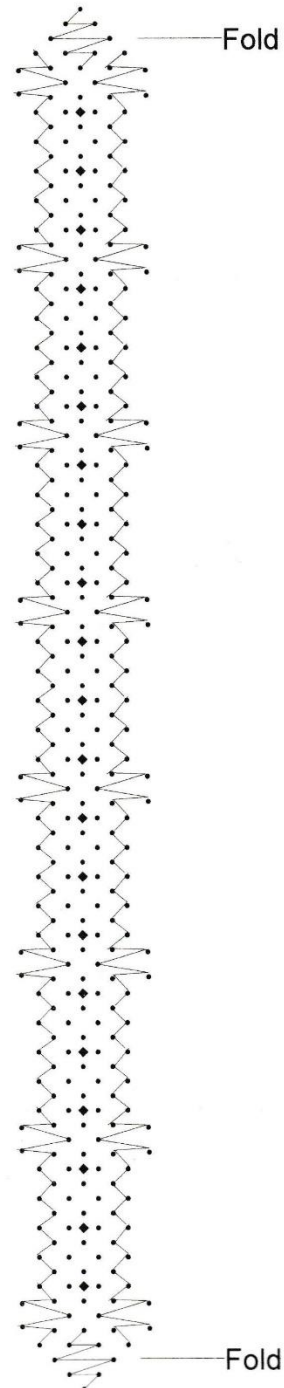

Thread: DMC Special Dentelles 80  
Gimp: DMC Fil Argent Clair

3mm silver beads  
Clasp (obtain from a bead shop)

8 pairs Special Dentelles  
2 pairs use double thread Fil Argent

Measure wrist and adjust the length of the pattern as required.

1. Hang 6 pairs of Special Dentelles on support pins 1 to 6.
2. Work diamond in cloth stitch.
3. Remove support pins and tension.
4. Hang pairs Fil Argent on pins 7 & 8.
5. Hang worker pairs (Special Dentelle) on pins 9 & 10.
6. Cloth stitch and twist workers through pair from 7, cloth stitch through two pairs from diamond, twist twice, pin at 11.
7. Cloth stitch back through two passive pairs, twist, cloth stitch twist through outside passives (Fil Argent), twist workers, pin at 12.
8. Cloth stitch and twist through outside passives, cloth stitch through passives, bring in passive pair, twist twice, pin at 13. Complete working right hand fan.
9. Work left hand fan in similar manner.
10. To add in bead work roseground as follows:  
Cloth stitch and twist pairs from A and B, no pin  
Work ground stitch at C  
Half stitch, pin at D and E  
To add bead: place bead on crochet hook, pick up inner thread from D, slide bead onto thread making a loop, put inner bobbin from E through loop.  
Cover pins D and E  
Work ground stitch at F  
Cloth stitch and twist right hand and left hand pairs
11. To finish knot all the threads leave about 15 cm and trim.
12. Remove all but the outside pins, push these down.
13. Stiffen with one part PVA glue to four parts water, mop up excess moisture with a dry cloth, allow to dry, remove pins
14. Darn back ends, fold on fold line, catch down.
15. Attach the clasp
