

# Keyring Instructions:

Cut 5 passive lengths approx. 1 meter, 1 worker (can be metallic) approx. 3 meters and wind as pairs.

Using a small gold ring for a Christmas decoration, or a split ring for a key chain, pass the centre of each passive through the ring and then thread the bobbins through the loop. Pull down evenly and ensure threads are in order you wish your stripes to run.

Pin to the pricking so that the bottom of the ring is touching the first pin.

Place the 1<sup>st</sup> pin and hang the workers over it.

Pins 1-2: cross, twist, cross all pairs, extra twist on the worker pair, place the pin.

Pins 3-6: cross, twist, cross, twist first pair, cross, twist, cross centre 3 pairs. Twist worker pair only, cross, twist, cross, twist with 5<sup>th</sup> pair. Extra twist on worker pair, place pin.
